

THE PRIDE OF PAULDING "BUILD A MUSICIAN" SPONSORSHIP PROGRAM

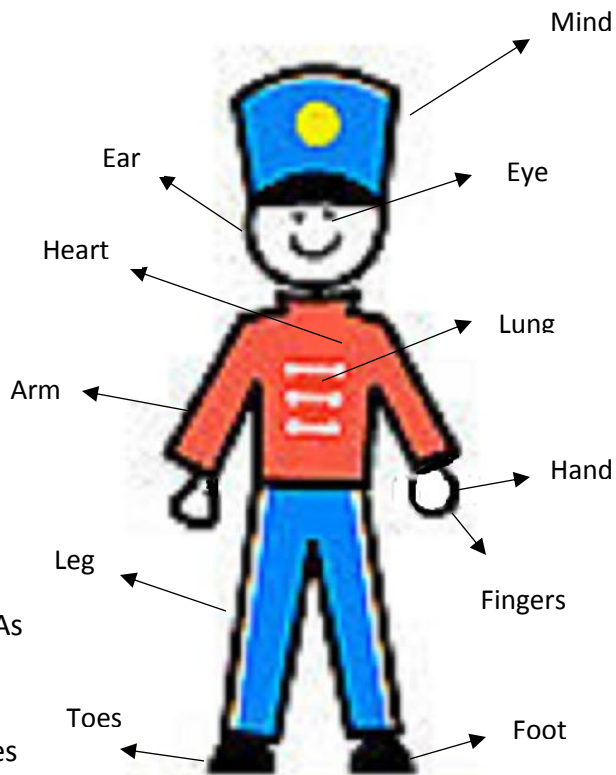

The Paulding County High School Marching Band consists of Over 100 student musicians. Their performances consist of football games, competitions, parades and other community events and functions. Students who participate in these experiences not only learn musicianship, but also acquire important life skills such as dedication, responsibility, teamwork, perseverance and commitment.

Participating and competing in the marching band requires monetary and community support. Our school only supplies limited financial relief, as it is an extracurricular organization and completely non-profit.

At this time, we turn to our community for assistance and support. As a neighbor, please support the students and the program by participating in the "Build A Musician Sponsorship Program". You choose how much you are able to contribute and each donation goes directly towards that students account.

Any amount of aid will go a long way in assisting the students to achieve their highest potential while bringing positive attention to our school and community!

Whole Musician \$650

**Detach and return to: PCHS Band Boosters
PO Box 1302
Dallas, GA 30157**

Name: _____ Phone: _____ Email: _____

Address: _____

Mind \$100
